: / C / C / Am / Am / Fmaj / G / C / Gf :/
When the night has come
And the land is dark
And the moon is the only light we see

No I won't be afraid
No I won't be afraid
Just as long as you stand, stand by me

Oh, Jesus, Jesus
stand by me
oh, stand by me
oh, stand,
stand by me, stand by me 2. x 2x

(Whenever I'm in trouble won't you...)

If the sky that we look upon
Should tumble and fall
And the mountain should crumble to the sea

I won't cry, I won't cry
No I won't shed a tear
Just as long as you stand, stand by me

I Open My Mouth Unto The Lord

Written by: Trad.

I open my mouth unto the Lord
And I wont turn back
I will go
I shall go
To see what the end is going to be

Vamp.

I will go, I shall go...
I will, I shall, I will, I shall...

Where Is The Love

Written by: Black Eyed Peas

8t intr/F / C Dm/ Bb/

What's wrong with the world, mama
People livin' like they ain't got no mamas
I think the whole world addicted to the drama
Only attracted to things that'll bring you trauma

Overseas, yeah, we try to stop terrorism
But we still got terrorists here livin'
In the USA, the big CIA
The Bloods and The Crips and the KKK

But if you only have love for your own race
Then you only leave space to discriminate
And to discriminate only generates hate
And when you hate then you're bound to get irate, yeah

Madness is what you demonstrate
And that's exactly how anger works and operates
Man, you gotta have love just to set it straight
Take control of your mind and meditate
Let your soul gravitate to the love, y'all, y'all

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach?
Or would you turn the other cheek?

Father, Father, Father help us
Send some guidance from above
'Cause people got me, got me questionin'
Where is the love

Where is the love
Where is the love
Where is the love, the love, the love?

It just ain't the same, old ways have changed
New days are strange, is the world insane?
If love and peace are so strong
Why are there pieces of love that don't belong?
Nations droppin' bombs

Chemical gasses fillin' lungs of little ones
With ongoin' sufferin' as the youth die young
So ask yourself is the lovin' really gone
So I could ask myself really what is goin' wrong

Where Is The Love (Page 2)

Written by: Black Eyed Peas

In this world that we livin' in people keep on givin' in
Makin' wrong decisions, only visions of them dividends
Not respectin' each other, deny thy brother
A war is goin' on but the reason's undercover

The truth is kept secret, it's swept under the rug
If you never know truth then you never know love
Where's the love, y'all, come on
Where's the truth, y'all, come on
Where's the love, y'all

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach?
Or would you turn the other cheek?

Father, Father, Father help us
Send some guidance from above
'Cause people got me, got me questionin'

Where is the love?
Where is the love?
Where is the love?
Where is the love, the love, the love (The love)?

Where is the love?
Where is the love?
Where is the love, the love, the love?

I feel the weight of the world on my shoulder
As I'm gettin' older, y'all, people gets colder
Most of us only care about money makin'
Selfishness got us followin' the wrong direction

Wrong information always shown by the media
Negative images is the main criteria
Infecting the young minds faster than bacteria
Kids wanna act like what they see in the cinema

Yo', whatever happened to the values of humanity
Whatever happened to the fairness and equality
Instead of spreading love we're spreading animosity
Lack of understanding, leading us away from unity

That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
There's no wonder why sometimes I'm feelin' under

Where Is The Love (Page 3)

Written by: Black Eyed Peas

Gotta keep my faith alive 'til love is found Hold Bb
Now ask yourself

Where is the love?
Where is the love?
Where is the love?
Where is the love, the love, the love?

Father, Father, Father, help us
Send some guidance from above
'Cause people got me, got me questionin'
Where is the love?

One world, one world
One world, one world
One world, one world

People killin', people dyin'
Children hurt and you hear them cryin'
Can you practice what you preach?
Or would you turn the other cheek?

Father, Father, Father help us
Send some guidance from above
'Cause people got me, got me questionin'
