The Lord told Moses what to do

Am H

To lead the children of Israel through

Let my people go...

The pillar of cloud shall clear the way

A fire by night, a shade by day

As Isreal stood, by the water-side

At God's command it did divide

Let my poeple go...

When they had reached the other shore

They sang the song of triumph over

Oh, let us all from bondage flee

And let us all in Christ be free
