

In My Weakness I Am Strong

Written by: 2019 Torben S. Callesen

In my weakness I am strong,
cause you are there to help me on.
Oh my Lord, my soul belongs to you.
Only you can help me through.

In my weakness I am strong.
You are there when hope is gone.
Jesus fill my heart, this empty space,
come and touch me with your grace.

I found the greatest love on
a bloodstained, rugged cross.
I found the greatest love he
lived and he died for us.

My hands are lifted high to
praise Jesus Christ my king.
Now I stand tall and loved I
I owe him everything.
