

Lord Take This Broken Heart

Written by: Torben Callesen

Lord take this broken heart,
crashed into million pieces.
Lord take this broken heart,
the wounds won't stop to bleed.

Lord heal this broken heart
with love that never ceases.
Lord heal this broken heart,
so it may start to beat.

/:Jesus, healer of all hearts,
that's where my life starts,
when you come in embracing
arms of healing and comfort,
mercy and grace.:/

/:I surrender, I surrender,
I surrender, I surrender:/
