

Prodigal Child

Written by: 2019 Torben S. Callesen

Welcome home
you're not alone.
Come, find grace
in my embrace.

Welcome home
you're not alone.
You'll be free
right here with me.

I've seen the burdens in your heart.
I've seen how shame tore you apart.
I saw you overwhelmed by tears and fears.
But now they're gone,
you found where you belong.

/:I am your stronghold,
I'm your hiding place.
I am your stronghold,
a port of love and grace.:/
