

Still Here

Written by: 2020 Torben S. Callesen

In your darkest night.
When you lose your fight.
I'll be here.
I'll be here.

When you can't go on.
When you lost your song,
I'll be here.
I'll be here.

Surrounded be a thousand angels,
I will wrap my arms around you.
Hold you close and never let you go.

I'll whisper words of peace and mercy,
mend your broken heart with mine.
I died for you, I thought that you should know.
Do you know?

/:When you're all alone, I'm still here.
Fighting on your own? I am near.
In your darkest fears,
through dispair and tears.
