

# That Is Gospel To Me

Written by: Torben S. Callesen

---

1

When my heart starts pounding,  
with hands lifted high.

When my spirit cries out,  
and I reach for the sky.

When my well's overflowing  
that once was so dry.

Oh, that is gospel to me.  
Oh, that is gospel to me.

2

When my hope feels glowing,  
my voice's getting strong.

When my strength's coming back,  
and I lift up my song.

When my Jesus gives comfort  
so I can go on.

Oh, that is gospel to me.  
Oh, that is gospel to me.

## Chorus

I lift my praises to him.

I lift my praises to me King.

3

When it's too overwhelming  
to stand in His grace.

When clouds pass away  
and I feel His embrace.

When I hear angels joining  
in thunderous praise.

Oh, that is gospel to me.

Oh, that is gospel to me.

When my soul's rejoicing,

He's taking my hand.

My tears keep on falling

cause I understand

one day Jesus will take me to
