

You'll Find Me At His Feet

Written by: 2020 Torben S. Callesen

You may search the stars to guide you.
You may search where fame may lead.
You may cry alone to get through.
But you'll find me at his feet.
Yes, you'll find me at his feet.

You may search for wealth and treasures.
You may search where kings may seat.
You may follow worldly pleasures.
But you'll find me at his feet.
Yes, you'll find me at his feet.

Every word from him is comfort.
Every word from him is grace.
Every word from him is heaven in this place.

Every word from him is mercy.
And I will lift my hands in praise.
/:Every word from him, Jesus, amazing grace.:/
